Please indicate yes or no to the following:

\_\_\_\_\_ 1. I think the sheriff has the duty to intercede to protect citizens from other officials, including federal officials, who would violate the rights of citizens in my county.

\_\_\_\_\_ 2. I agree that red flag laws (Risk Protection Orders) should not be used to confiscate guns belonging to one of my citizens, based upon an allegation or information given by a third party without a trial and conviction, therefore I would not enforce the order.

\_\_\_\_\_ 3. I believe that should Federal Government agents come into my county to serve warrants and/or make arrests, they should be required to notify me first of their intentions. This is safer for the Federal officers and safer for the citizens, as well.

\_\_\_\_\_ 4. If I were to discover that federal agents are violating the rights of my citizens, I possess the power to arrest those I find to be harassing the citizens

\_\_\_\_\_ 5. I fully support the 2<sup>nd</sup> Amendment to the U. S. Constitution and support Constitutional Carry laws that protect the right of law-abiding citizens to keep and bear arms.

\_\_\_\_\_6. If a federal, state, or local government were to implement a policy of door to door gun confiscation within my jurisdiction, I would interpose myself on behalf of the people to protect their right to keep and bear arms at all costs.

\_\_\_\_\_7. If I were to discover that my constituents were being forcibly administered any type of medical treatment, such as a vaccine, against their will, I would interpose on their behalf to protect the rights of the person to control what goes into their body and their medical care.
