Legislative Week 12

(June 6 - Legislative Day 30)

IT'S OVER!

EF's Last 2 Priority Bills Failed To Get A Vote.

In our Week 11 update we listed two bills that we hoped Senate leadership would bring to the floor for a vote. They were the ballot harvesting bill which bans ballot harvesting and the cell phone porn filter bill to protect children from accidental exposure to hard-core pornography on phones and tablets. We appreciate all of your calls and emails that you sent to leadership encouraging their passage. Unfortunately, neither one made it to the floor and subsequently died this session.
