

# Post Election Audit Bill

01

\* “The Alabama Post Election Audit” is bipartisan legislation aiming to ensure the accuracy of the voting tabulators.

\*No additional cost to the counties.

02

\*To increase voter turnout by restoring and maintaining voter confidence in election results and administration process.

\*To ensure that each Alabama citizen’s legal vote counts.

03

\*It will require the canvassing board of each county to randomly select the precincts and races to be audited.

\*Establishes actions to be taken if there is a discrepancy in the results.

04

\*The Secretary of State shall make all results from the post-election audit public.

\*All expenses incurred by any county shall be reimbursed from federal and state funds made available for use by the state Comptroller.
